

# Register over faldne i de slesvigske krige 1848-1864

Jeg har lavet et register til Exam. juris. Vilhelm Cohen's bøger om »Krigene 1848-1864 og de faldnes Minde«, udgivet på Gads Forlag i 1865, men disse er opstillet i orden efter militære enheder, hvilket gør det meget svært at finde en person, når man kun kender efternavnet.

Bøgerne vil ikke kunne lånes på bibliotekerne, men kan udelukkende læses på læsesalene.

Dette register er opstillet i alfabetisk rækkefølge, så klik på første bogstav i efternavnet og blad ned gennem siden, eller brug rediger/søg-funktionen.

Det er altså KUN et register til bøgerne som anfører de militære data. Der er således IKKE andre slægtsforskningsmæssige data at finde. Her kan jeg kun henvise til Hærens Arkiver, Regimentsarkiverne og lignende.

#### **Forklaringer til registret:**

Foureer er regnskabsfører

Sappeur er løbegravsgriber

Registret kan læses i alle PDF-læseprogrammer, men jeg anbefaler især Adobe Reader, som har den facilitet, at når man har indlæst registret på computeren, er der en søgebjælke i venstre side med bogstaverne A-Å.

Hvis man kun ser øverste del af siderne klikker man på knappen for »hele siden« øverst.

Ved at klikke på et bogstav, springer man dertil og kan med det samme søge den person man efterlyser.
